

Mountnorris PS Earth Day

24th April
2026

Our Eco - Code

It's God's
world-
let's look
after it!

The ways we have been looking after God's world!

- Recycling our paper, plastic bottles etc.
- Using the compost bins for our fruit peelings etc
- Looking after our garden.
- Putting litter in the bins
- Reusing items.
- P4 to P7 have been learning about climate change

Plans we have for this term.

1. Monitor our electricity use!

Plans we have for this term.

2. Toilet twinning!

What is toilet twinning?

Understanding Toilet Twinning.

What Is Toilet Twinning?

Toilet Twinning links toilets in schools with toilets built in communities lacking sanitation to create a global connection.

Why are toilets so important?

- Health and sanitation.
- Safety and privacy.
- Impact on education.
- Hand washing and hygiene.

How can we help?

- By raising some money to buy a toilet for somewhere in the world.

Spend a penny
week!
